ADMISSION NOTICE

CORPORATE GOVERNANCE
A Two-Day Certificate Course by IBA, University of Dhaka

COURSE OVERVIEW
In Bangladesh, effective corporate governance and accountability is more crucial to create an enabling environment to provide incentives for foreign investment and growth. The delivery of best practice corporate governance continues to be a central focus in every boardroom. The combined pressures of foreign investors, regulatory bodies, international organizations and increasing demands of shareholders underline the need for a thorough understanding of good governance processes and also how to improve performance at the top of business.

This two-day workshop uses interactive exercises, group work and case studies to provide participants an in-depth understanding of the corporate governance framework in Bangladesh and reviews current governance hot topics and issues.

WHO SHOULD ATTEND
This two-day certificate course has been designed to appeal to the following professionals:

- Board of Directors of Listed and Non Listed Companies/banks and FIs
- Companies Secretaries
- Executive and Non Executive Directors/ Independent Directors
